

HAVE YOU EVER SENSED YOUR DIFFERENT SOMEHOW? MAYBE YOU DON'T SEEM TO FIT IN WITH THE KIDS AT YOUR SCHOOL OR IN YOUR NEIGHBORHOOD. YOU LOOK AROUND AND SEE THEM TALKING, LAUGHING, TEXTING, AND LIVING LIFE AT A DIFFERENT SPEED THAN YOU ARE. PERHAPS YOU EVEN FEEL OUT OF STEP WITH YOUR OWN FAMILY. THIS GROUP IS ABOUT DISCOVERING WHY YOU'RE DIFFERENT.

LIKE MANY PEOPLE, YOU HAVE SOME SPECIAL SKILLS AND GIFTS. BUT YOU ALSO HAVE SOME SPECIAL NEEDS. MORE SPECIFICALLY, YOU HAVE WHAT IS KNOWN AS AUTISM SPECTRUM DISORDER; OR ASD. LEARNING YOU HAVE ASD CAN BE A CONFUSING EXPERIENCE; WE'D LIKE TO MAKE IT EASIER FOR YOU.

JOIN DR. SASHA HILEMAN AND OTHER TEENS LIKE YOU TO BETTER UNDERSTAND YOUR NEEDS AND DIFFERENCES AND LEARN SKILLS FOR DAILY ISSUES, SUCH AS YOUR FEELINGS, BEHAVIOR AND COMMUNICATION WITH OTHER PEOPLE. GROUP MEETINGS WILL BE HELD AT QUINCE ORCHARD PSYCHOTHERAPY ON FRIDAY MORNINGS FROM 11AM TO 12 PM DURING THE SUMMER.
